- While ISC regularly updates the Links2Schools database with information about changes to school personnel and email addresses, it does not warrant the accuracy of its lists – there is a 5% variance for recent administrative changes. In addition, due to SPAM filters, ISC cannot guarantee receipt of emails by all contacts.
- Standard Links2Schools email campaigns are done in Rich Text format and may include a company logo, hyperlinks and/or PDF files as attachments. Email-ready campaigns furnished by the Client are subject to approval. ISC reserves the right to determine the suitability of all campaigns submitted for distribution.
- ISC guarantees that **standard** email campaigns will be executed within five (5) business days from the date of copy and initial payment receipt.
- An initial payment of 50% of the total campaign fee is due in advance of the distribution date along with the signed contract. ISC will invoice for the balance immediately following the execution of the email campaign.
